# SUGAR TWIST

## PRODUCTS/TOOLS USED:

- ★ Neon Sugar Cream
- ★ Neon Sugar Spray
- ★ Neuro® Dry
- ★ Neuro® Unclipped Styling Rob

## TIPS:

Prep hair for perfectly imperfect style with some texture-enhancing Sugar Twist. Blow-dry with Neuro Dry.

Pull the top half of the hair into a ponytail, using just your fingers (not a brush). Make a loose knot.

Knot the bottom half as well, and leave the tail sticking out.

A generous spritz of Sugar Confection locks in the look.
