SUGAR CREAM

PRODUCTS/TOOLS USED:

- ★ Neon Sugar Cream
- ★ Neon Sugar Confection
- ★ Neuro® Dry
- ★ Neuro® Smooth
- ★ 407 Styling Brush
- ★ Bobby Pins

TIPS:

Be careful to not overly smooth the texture while blow-drying.

Using Sugar Cream, braid away half of the hair in the back and criss-cross the rest to pin away.

Using the Neuro Smooth, create ripples in the front to enhance texture. Mist with Sugar Confection for hold and definition.
